RESIDENT NEWS: There are currently 18 residents living in our Home. On December 16th, Virginia moved in from a facility in Lincoln. She is 99 years young and is totally amazed and is very happy with her new home. Her daughter-in-law, Deb, is a P.E.O. member of Chapter AT, Tecumseh. Deb is a nurse at the Home.

BIG EVALUATION/INSPECTION NEWS: When the doorbell rang at 8:00 on Monday morning, December 15, 2025, administrator, Shari Little, had a feeling something would unsettle that first day of the week. It was a state evaluator/surveyor who was there to do an inspection of our Home! This inspector was very nice, thorough, and complimentary after spending several hours reviewing paperwork, rooms, staff, etc. Our Home had ZERO deficiencies! She said that it was obviously a clean facility with happy residents AND happy staff. Shari, and Director of Nursing, Kristie McClellan, participate in many webinars as training from their association and state connections. They had learned, recently, that assisted-living facilities typically receive between 11 and 19 deficiencies. Is it not fabulous that our Home is ready for an inspection at a moment's notice? The state is quite behind with inspections due to staff shortages and, of course, Covid put them behind as well.

STAFF CHRISTMAS CELEBRATION: Wednesday, December 17th was the Employee Christmas Party held at "Tall Tree Tastings". They had the largest attendance ever for this event. It was SO FUN – lots of games and prizes, laughter, food, and gifts were also given. Here are a few photos.

TOUR OF HOMES: Once again, Chapter FM/Beatrice held a fundraiser which included five homes to tour. All were decorated for the Christmas holiday. The Home was included again this year. We are not yet sure of the total number who visited the Home, but this writer is guessing somewhere between 130 – 150. Our Home looked beautiful – both inside and outside.

ACTIVITIES: The monthly schedule can be found on the Home website:

IMPORTANT REMIDERS FOR CHAPTER TOURS of OUR HOME, please know these things:

ALWAYS plan through our Home Administrator: Shari Little – contact info below:

--Monday through Friday works best – morning is rather busy, but afternoon or evening certainly works. Only one weekend, per month, could work as well, **ask Shari.**

Contact Shari Little, well in advance, please. nebraskapeohome@outlook.com

IMPORTANT TOUR UPDATES: When planning for a tour, please be as accurate as possible on the number visiting. It is best to check back a week BEFORE your chapter tour to be sure all you requested has been arranged. For example, be sure the time of the tour is set. Please arrive on time – make a phone call if you are going to be late.

--If you plan to have a chapter meeting, that needs to be known when arrangements are made – it does take time for employees to set up the chapter room.

--**Extremely important** that anyone who is not feeling well – sore throat, runny nose, cough, unusual fatigue, temperature, etc. should refrain from visiting at this time – or you WILL be required to wear a mask for the entire visit. Please know, that for most of the public, the covid virus is no more than a cold. However, those in long-term care it means quarantining, dressing in gowns, masks, and face shields. Please be aware of these regulations to protect our Residents and staff.
